Key legal information

This Opportunity Overview (the "Teaser") is being furnished to potential investors and published in PETROBRAS site (www.investidorpetrobras.com.br) with the purpose to present the Potential Transaction.

This document does not oblige PETROBRAS to start or to conclude a process for the sale of its assets.

This document may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that merely reflect the expectations of PETROBRAS' management. Such terms as "anticipate", "believe", "expect", "forecast", "intend", "plan", "project", "seek", "should", along with similar or analogous expressions, are used to identify such forward-looking statements. These predictions evidently involve risks and uncertainties, whether foreseen or not by the PETROBRAS. Therefore, the future results of operations may differ from current expectations, and readers must not base their expectations exclusively on the information presented herein.

This document has been issued by PETROBRAS in the context of the Potential Transaction. It is furnished to the recipient by PETROBRAS solely for its information and should not be relied upon and shall not confer rights or remedies upon, the recipient or any of its employees, creditors, holders of securities or other equity holders or any other person.

This Teaser has been assembled for the sole purpose of determining whether the potential investors wish to receive further information for analysis in connection with the Potential Transaction upon undertaking certain confidentiality obligations.

Although this document was prepared in good faith and the information provided herein may be obtained from publicly available sources, neither PETROBRAS nor any of its affiliates nor any of its associates, nor subsidiary companies (the "PETROBRAS Group"), nor any of their respective directors, officers, employees, representatives, advisers or agents, neither Banco Bradesco BBI S.A., its affiliates, employees, representatives or agents, are making any representations or warranties, expressed or implied, as to the fairness, accuracy, reliability, sufficiency, reasonableness or completeness of such information, statements or opinions contained in, or otherwise in relation to, this document or any written or oral information made available to any interested party, and no liability whatsoever is accepted by any such person in relation to any such information or opinion. Only those representations and warranties which may be made on a definitive agreement concerning the Potential Transaction (which will not contain any representations, warranties or undertakings as to this document) shall have any effect. In particular, any potential investor will, so far as permitted by law, be required to acknowledge in the definitive agreement relating to the Potential Transaction that it has not relied on or been induced to enter into such an agreement by any representation or warranty, save as expressly set out in such agreement.

This material was based on available information to date and considers, among others, market and economic conditions as per disclosed and in the way they may be evaluated. Bradesco BBI does not make any representation or guarantees to the precision of any information contained in this presentation. Bradesco BBI shall not be held responsible for updating this presentation (or any additional information), to correct any inaccuracies that may become apparent or to provide any additional information to any recipient. It shall be understood that subsequent developments may affect the information herein and that Bradesco BBI has no obligation to update or review this information. Bradesco BBI shall not provide any advice to recipients regarding any law or regulation potentially applicable to the Potential Transaction, including rules or procedures applicable to such transaction.

The information contained in this document is being delivered for information purposes only. Any financial information ("Financial Information") contained in this document regarding any part of the PETROBRAS Group has been obtained from information ("Source Data") prepared by PETROBRAS management for internal purposes only and not with a view toward disclosure to third parties and may not comply with IFRS, UK, BR or US GAAP. No attempt has been made by PETROBRAS to audit or verify the Source Data or the Financial Information or any other financial information. Furthermore, any information that might be contained in this document is subject to a number of factors and involve a number of risks which cannot be predicted by PETROBRAS Group.

This material is necessarily based upon information available to this date and considering market conditions, economic and other conditions in the situation where they are and how these can be evaluated at the moment.

PETROBRAS does not consider that the Financial Information that might be herein contained is or should be taken as a reliable indication of the projected financial performance or any other matter. The Financial Information may include certain forward-looking statements and forecasts including statements with respect to financial conditions and results of operations relating to certain business and cost savings, management's plans and objectives for relevant assets. These statements and forecasts involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future and may be based on certain assumptions with regard to the future evolution of a series of magnitudes and of the economy in general, which may not be fulfilled and, thus, the conclusions reached in this document may be altered accordingly. No representation is made that any of these statements or forecasts will come to pass or that any forecast result will be achieved. Actual outcomes are highly likely to vary from any such forward-looking statements or projections and such variations may be material. There are a number of factors that could cause actual results and developments to differ materially from any of those expressed or implied by any such statements and forecasts, such as, but not limited to, the ability to achieve cost savings, exposure to fluctuations in exchange rates for foreign currencies, inflation and adverse economic conditions.

Nothing contained in this document is or should be relied upon as a promise or representation as to the future. Except where otherwise expressly indicated, this document speaks as of the date hereof. Neither the delivery of this document nor any purchase of any of the securities, assets, businesses or undertakings of PETROBRAS or any related entity shall, under any circumstances, be construed to indicate or imply that there has been no change in the affairs of the PETROBRAS Group since the date hereof. In addition, no responsibility or liability or duty of care is or will be accepted by the PETROBRAS Group or its respective affiliates, advisers, directors or employees for updating this document (or any additional information), correcting any inaccuracies in it which may become apparent or providing any additional information to any recipient. It should be understood that subsequent developments may affect such information and that the PETROBRAS Group have no obligation to update or revise such information.

This document does not constitute a prospectus or an offer for the sale or purchase of any shares or other securities in, or any underlying assets of, any member of the PETROBRAS Group or otherwise enter into the Potential Transaction, and does not constitute any form of commitment on the part of any member of the PETROBRAS Group or any other person to enter into any transaction or otherwise. Neither this document, nor any other written or oral information made available to any recipient or its advisers will form the basis of any contract or commitment whatsoever. Any proposal regarding a potential transaction between any member of the PETROBRAS Group and the recipient will only give rise to any contractual obligations on the part of such member of the PETROBRAS Group when a definitive agreement has been executed.

PETROBRAS reserves the right without liability, to change, amend or replace this Teaser and the furnished information and to amend, modify, delay, accelerate or terminate the process, negotiations and discussions at any time and in any respect, regarding the Potential Transaction or to terminate negotiations with any potential investor/recipient of this document, provided such is informed to all participants. PETROBRAS undertakes no obligation to provide the recipients with access to any additional information.

The recipient acknowledges that it will be solely responsible for its own assessment of the market and the market position of any member of the PETROBRAS Group or any of its securities, assets or liabilities or any part thereof and that it will conduct its own analysis and be solely responsible for forming its own view of the value and potential future performance of the same. Nothing contained within this Teaser is, or should be, interpreted as or relied upon as a promise or representation as to future events or undertakings.

Recipients shall keep their relationship with PETROBRAS confidential with regard to the Potential Transaction and shall not disclose to any third party that they have received this document or that they are assessing their interest in the Potential Transaction. In no circumstances will any member of the PETROBRAS Group or any of its advisers be responsible for any costs or expenses incurred in connection with any appraisal or investigation of any member or part of the PETROBRAS Group or for any other costs and expenses incurred by a recipient.

Recipients of this document and their representatives should observe any applicable legal requirements in their jurisdiction. Accordingly, the recipient agrees that neither the recipient nor any of its agents or affiliates shall use such information save for the purposes specified in this notice or document and shall not use such information for any other commercial purpose. The distribution of this document in certain jurisdictions may be restricted by law and, accordingly, by accepting this document, recipients represent that they are able to receive it without contravention of any unfulfilled registration requirements or other legal or regulatory restrictions in the jurisdiction in which they reside or conduct business. No liability is accepted by PETROBRAS Group in relation to the distribution or possession of the document in or from any jurisdiction.

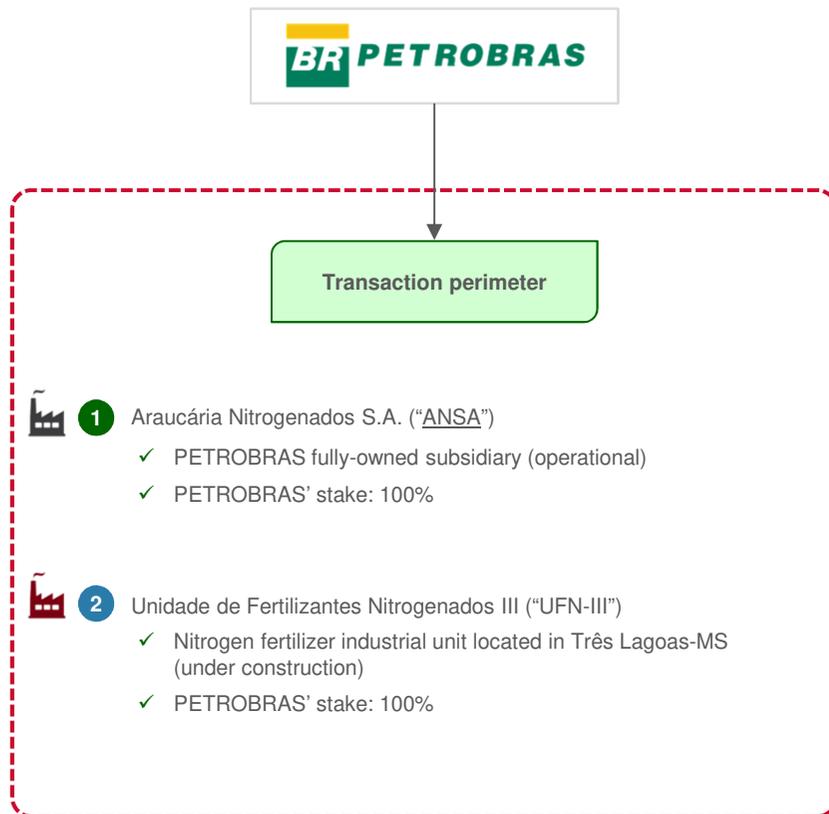

This document does not purport to give legal, tax or financial advice and should not be considered as a recommendation by any member of the PETROBRAS Group or any of their respective representatives, directors, officers, employees, advisers or agents or any other person to enter into any transactions and recipients are recommended to seek their own financial, and other advice, and are expected to adopt their own decisions without basing them on this document. As indicated herein, this document is solely for your information and should not be relied upon and shall not confer rights or remedies upon the recipient or any other person.

By accepting this document, the recipient agrees to be bound by the foregoing limitations.

Investment Highlights

Strong fundamentals in the Brazilian fertilizer sector, driven by growth in the agribusiness

- ✓ Agribusiness as the main pillar of the Brazilian economy in the last 2 years (growth of 4.5% vs. -3.6% GDP growth, in 2016)
- ✓ Favorable perspectives for nitrogen fertilizers production growth in Brazil
 - Fertilizers as one of the main drivers of the Brazilian agriculture yields expansion
 - Brazil still presents a production deficit in fertilizers (24 million out of 34 million tons of the NPK consumption were imported in 2016)

Opportunity to tap into a unique platform in the nitrogen fertilizer sector in Brazil

- ✓ Industrial units combined production capacity of urea and ammonia of 5,575 t/day and 3,503 t/day, respectively
- ✓ The urea production capacity of the two industrial units would represent approximately 40% of the Brazilian urea apparent consumption in 2016
- ✓ Well-positioned in the industrial urea and ARLA 32 markets, segments with higher margins

Industrial units strategically located near the main Brazilian consumer markets and with favorable logistics for supply

- ✓ ANSA: located in the State of Paraná, near (i) the main consumer markets of the region and (ii) Presidente Getúlio Vargas refinery (Repar)
- ✓ UFN-III: located in the State of Mato Grosso do Sul, near (i) the main consumer markets of the region and (ii) Gasbol gas pipeline (interconnection of approximately 4 km already concluded)

Potential consolidation in the sector

- ✓ Fertilizer market in consolidation process
- ✓ Brazilian market has recently attracted the attention of global players

1 Araucária Nitrogenados S.A. (“ANSA”)

Operating nitrogen fertilizer industrial unit with urea production capacity of 1,975 t/day

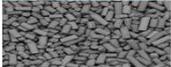

Overview

- ✓ PETROBRAS' wholly-owned subsidiary, ANSA started its operations in 1982
- ✓ Main raw materials used in the process:
 - 1,000 t/day of asphalt residue (RASf)
 - 430 thousand m³/day of natural gas
 - 50 t/day of fuel oil
 - 60 t/h of steam
- ✓ Logistics through (i) bulk loading stations, (ii) loading platforms and packing facility (iii) railway terminal
