

Petrobras informs on the sale of Liquigás: Publication of the new Teaser

Rio de Janeiro, April 09, 2019 - Petróleo Brasileiro S.A. - Petrobras, following up on the press release disclosed on 04/05/2019, regarding the competitive sale process of 100% of Liquigás Distribuidora SA, informs that the new Teaser, which contains the main information about the opportunity, as well as wider eligibility criteria for the selection of potential participants, is available at Petrobras website: <http://www.petrobras.com.br/ri>.

The new Teaser is in line with Petrobras' disinvestment methodology, as well as with Decree 9.188/17 and replaces in its entirety the one released on 03/29/2019.

The adjustments made are intended to increase the competitiveness of the process, making possible the participation of investors from other sectors, and mitigating competitive risks and market concentration. The new deadline for the expression of interest is 04/19/2019.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "plan," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the "Lava Jato Operation"; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2018, and the Company's other filings with the U.S. Securities and Exchange Commission.
